Rental Criteria

[PropertyName](Hereafter referred to as "Management") will accept as Lessee any person who submits an accurate application for an available apartment home; meets the standards set forth below; and agrees to abide by the rules and regulations set forth by Management. Management conducts applicant screening on all persons 18 years of age and older by applying for occupancy at our community. This screening process is used to evaluate the probability of whether not the applicant(s) may satisfactorily fulfill their lease obligations. Management supports the Federal Fair Housing Act and all State and Local laws prohibiting discrimination in housing. Documents submitted by the applicant will be verified for authenticity.

This community utilizes a document verification system to ensure the authenticity of all submitted documents. Failure to provide verification documents may hold up the processing of your application or result in a not qualified status.

Application Requirements:

Each household member who is eighteen (18) years of age or older must complete a separate application and pay a non-refundable application fee. Each applicant will be asked to provide a valid government issued photo ID.

It is the responsibility of the applicant to provide all requested documents within 24 hours of request.

If applicant has been issued a Housing Voucher, it does not guarantee approval. Applicant still must meet the criteria specified in this policy.

Income Requirements:

The annual rental rate must not exceed **33%** of the household total income. For example, to qualify for an apartment renting for \$1,200.00 per month, the household's total annual income must be at least \$43,636.00 (\$1,200 X 12 divided by 33%).

To satisfy the income requirements, the following forms are acceptable (but not limited to):

- Most recent original PDFs of your earnings statements downloaded directly from a payroll website
- Downloaded PDF bank statements from your bank account website (personal and/or business)

The income verified should be stable with a reasonable expectation that it will continue during the lease. For households that do not meet the minimum income requirements, special consideration will be given should the household demonstrate assets to offset the annual rental payment, excellent credit and excellent rental history.

Credit History Requirements:

Management conducts applicant screening on persons who complete an application. Applicant screening is used to evaluate the probability that an applicant may or may not satisfactorily fulfill his/her lease obligations. Prior to acceptance of an applicant, Management will use a consumer reporting agency to obtain credit reports and public record information regarding the applicant. The information obtained may include the following consumer information:

- Consumer information such as credit history, landlord history, other public records, and/or previous inquiries/addresses.
- Social Security Number and/or Federal Tax ID Number verification
- Co-Applicant criteria: Co-Applicant must have an excellent credit rating with no uncollected debts and have wages that can be garnished. In addition, the Co-Applicant is required to have verifiable income and the ability to pay rent for the apartment co-applied in the event rent is past due. Finally, the co-applicant must also sign the lease and all addenda.
- Bankruptcy: All applicants with a bankruptcy must provide bankruptcy discharge paperwork and credit will have to be established since the date the bankruptcy was discharged.

Management will compare the information obtained from the consumer reporting agencies to the guidelines set forth in the Resident Selection Criteria to determine whether the applicant meets the required criteria. If an application is declined or accepted with conditions because of the information obtained, the applicant(s) will be

provided with a "Summary of Your Rights" under the Fair Credit Act and will be given the name, address, and telephone number of the consumer reporting agency that provided the information. An applicant(s) who is declined or accepted with conditions based on information provided by consumer reporting agency may obtain a free copy of the report and may initiate a reinvestigation to have any erroneous information contained in the report corrected. The consumer reporting agency will advise the applicant of the procedure to correct information contained in the report.

Rental History Requirements:

Applicants must indicate the name, address and telephone number of current and previous landlords/mortgage holders. Management will verify two (2) years of previous rental/mortgage history. Applicants with negative rental or mortgage history will not be accepted. Examples of negative rental/mortgage history include but are not limited to history of evictions, foreclosures, breach of lease, delinquent rental payments, or apartment damages. Applicants with negative rental/mortgage history may be considered with additional documentation. Applicants with no rental history must meet the income and credit history requirements.

Criminal History:

Management will conduct criminal background searches on all persons eighteen (18) years of age and older who will occupy the apartment. It is the policy not to accept prospective residents who have been convicted of certain crimes. Prior to acceptance of an applicant, we may use an independent consumer reporting agency to search public records which may contain criminal background information regarding the applicant. Management may deny households if it is determined that any member of the household was or is engaged in the following activities:

- Crimes that involve physical violence against persons or property
- Crimes that endanger the health and safety of others
- Crimes involving the illegal possession or use of firearms
- Crimes in connection with the manufacture/ distribution/possession of a controlled substance
- Not identified on the OFAC list regarding regulations and Anti-Terrorism, Embargo, Sanctions and Anti-Money Laundering Laws

All circumstances regarding criminal convictions, including the period since the crimes occurred, will be considered. All leaseholders will be required to sign a Crime Free Lease Addendum in addition to the standard lease agreement.

Procedures for approved applications:

- Each applicant will be notified as soon as his/her application is approved. The required Security Deposit and Holding Fee, if applicable, must be paid within twenty-four (24) hours of this notification and the rental agreement must be signed.
- Upon receipt of the required Security Deposit and Holding Fee, the applicant will have 14 days from the time the apartment is available to take possession of the apartment. If applicant fails to take possession within 14 days, the apartment will be made available to other applicants.

Procedures for denied applications:

Each applicant will be promptly notified in writing of the reason(s) for denial. This notice will advise the applicant may, within ten (10) days of receipt of the notice (excluding weekends and designated Federal holidays), respond in writing or request to meet with Management to discuss the notice. If an applicant is declined based on the credit, Management will provide the applicant with the reason for rejection and give the name of the credit bureau used to obtain the credit report. Applicants will also be given two (2) weeks to dispute any information on the credit report. Applicant may re-apply for occupancy after 90 days.

By signing below, you acknowledge the terms of qualifications established by Management. Incomplete application information will result in delaying the application process. In addition, misrepresentation of any information related to eligibility, rental history, criminal history, income, assets or household composition will result in the denial of the application. Once an application has been denied, it is the policy of Management to wait a period of 90 days or more days before a new application can be submitted for residency. Should any applicant have questions or concerns regarding the aforementioned Selection Criteria, please address these concerns with the management staff prior to placing your application for rental. Once the signed application(s) have been submitted, and the application fees paid, the application fees are non-refundable.
